Joseph Collins' account of the life & death of his father Hezekiah Collins

My father was born in the now eighth Month 1709
In his young years he took great liberty, and went into
much unprofitable company, but being married about
the 28 year of his age to Catherine Gifford a virtuous inclined
young woman, he betook himself to business and became
more steady, and at length received the truth, in the love
of it. And although he went into pretty large business I
have heard him say that he felt the Truth to support him
through it all. — When he was about forty years old he
became afflicted with an asmatical complaint so that at
times he could not lie in bed, and as he advanced in
years his disorder increased upon him, insomuch that his
breathing at times was with great difficulty which he
bore with patience. — He was a diligent attender of Meetings
when of ability of body, but in the latter part of his time
his disorder much increasing so that some times he
could not lie down for many nights together, and at one
time, when we his children, were together he had
considerable to say to us, endeavouring to stir up an
engagement of mind, in us, for our good, and thus he
continued in patience saying at times that he
knew of Nothing that lay in his way, his disorder
increased upon him until the 10th day of the 10th mo
1795 at which time he quietly departed this life in
his 86 year of age upwards of eighty eight years. —

Catherine Hospi formerly the wife of
Hezekiah Collins aforesaid departed this life
the 13th day of the 6th Month 1801 aged about 83 years

Francis Wendel Collins - was born 2nd mo. 6th 1845. — the son of Abel Francis & Electa Jane Collins - of Stonington, Connecticut.

F. W. Collins Died Nov 11 - 1848 Aged 41-11-5

Abel James Collins, was born 5th mo. 12th 1846. son of Amos W. and Lucy F. Collins - of Stonington, Connecticut. —

To all People to whom this present Bill of Manumission shall come Know ye I John Knowles of South Kingstown in the County of Kings County in the Colony of Rhode Island &c Yeoman have been in the Practice of Enslaveing Mankind; But through the Goodness of a Merciful God am now convinced that it is an Iniquitous and Unjust — Practice and am made willing to give Release — Surrender and allow to all Men their Natural Right of Freedom, Therefore for my Self my Heirs Executors & Administrators Do forever Release and acquit

Girl was put into my hands to prove me in this part of Self Denial whether I would be faithfull or not — Now my Friends to let you plainly know Years before this my Intent was to have bought some Negroe Slaves for to have done my work to have saved buying of them But when I was about buying them I was forbidden by the same power that now causes me to set this Girl at Liberty for the matter was set before me in a Clear manner more Clear than what Mortal man Could have done, and therefore I believe it is not right for me to shrink or hide in a thing of so great Concernment as to give my Consent to do to others Contrary to what we our Selves would be willing to be done unto our Selves if we were in Slavery as many of them are at this day & under such Masters and Mistresses too as would be willing to be called Christs true followers and make a large profession of some of his Truths but if we duly Consider God will have no part kept back for he calls for Justice and mercy and his Soul Loaths the Oppressing of the Innocent and poor & helpless and such as have none to help and will assuredly avenge their cause in Righteousness These things I have found on my mind to lay before Friends as a matter worth due ~~Notice~~ Consideration and so lay it before this meeting as Business —

Richard Smith —

To all people to whom this present Bill of Manumission shall come Know Ye that I Stephen Richmond of Exeter in the County of Kings County and in the Colony of Rhode Island Yeoman have been in the practice of Inslaveing my fellowkind but through the goodness of a merciful God am now convinced that it is an Iniquitous & Unjust Practice and am made willing to give Liberty Surrender and to allow to all men their Natural Right of Freedom therefore for my Self my Heirs Executors and Administrators Do forever release & acquit all Right and property and all pretentions of Right & property of & unto my Negroe Woman —

So that by Nature & Blood we are no better in Gods Sight
then they and it is plain that Christ taught a Doctrine
that was to relieve the Oppressed and to unbind heavy Burdens
and let the Innocent prisons go free, and hath commanded
us to love our Enemys, and to entertain Strangers, & not
to Oppress them in Bondage with Slavery and said, he
came not to Destroy mens Lives but to Save them Luke
9 & 56 So that the way that brings them into Slavery is
forbidden by Christ for by war Violence & Stealth and
trading in them is the way by which they are first
Ordered to go into Slavery, and they that buy them or Otherways
have them and keep them in Slavery as they do their
Beasts for to do there Labour & not to relieve them and
set them free, are partakers of the same evil, Therefore I
Leave this as a faithfull Testimony in the fear of the
living God against all Such wicked proceedings, and
upon true Consideration of what is above written I Hereby
Declare that now at this Time that my Negroe Girl
Jane hath arrived to Eighteen Years of Age that she
shall now go out Free from Bondage and Slavery as
free as if she had been free born and that my Heirs
Executors or Administrators shall have no power over
her to make a Slave of her or her posterity no more
than if She had been ~~a~~ free born, for I freely
give her her freedom now at the Arrival of the
above age which is now fulfilled in this present
Year 1757 as Witness my hand

Richard Smith

Some time after I had written this Discharge I had it
in Consideration which way was proper to make it
Manifest & Secure and it appeared to me very proper to
Lay it before Friends at the Preparative meeting, as
Business to be Transacted by Meeting, to See if the Monthly
Meeting would think proper that it might be put on
Record or would forward Unless I might Know
what might be done by Friends on this Acct. for this
thing hath had weight on my mind ever since this
Girl

Country or taken in War one among a nother and Sell
Out which when brought here — in Sted of being Relieved
are Sold into Slavery all their Days and their Posterity
after them they being never so Innocent in Bowing of
any and these Masters and Mistresses that buy them
or Other ways by their parents have them, all this while
profess them selves to be the followers of Christ or
Christians and yet how they will plead the Reasonableness
of Keeping them in Slavery and their posterity after them
But when they have pleaded all they can and used the
best arguments they have, it is Duly to have them work
done with ease & they to be great and to be Lord over
their fellow Creatures, Because they have power & Authority
to Oppress the Helpless by a Customary Law of the Nations
to keep them in Bondage under Slavery, Such Renouncing
and Rejecting and Hating to obey the Law & Command
of their great Lord and Master Christ as they call him
who Charge them saying therefore all things whatsoever
ye would that man should do to you do ye even so
to them for this is the Law and the Prophets said
our Great Lord Matt. 7 & 12. Now if it should be as
of any of these masters or mistresses if they in like
Manner with their Children should be carried away
into any Strange People in the world and be sold into
Slavery whether they would be willing to serve a Strange
nation in Slavery & their Children after them and be
Deprived of what they Injoyed in their own Country
(for this is the Case) I Suppose there Answer would
be no nor any of our Children upon any Acct.: no
not if it were in a Christian Land as they call this
well then how can any of them plead the Reasonableness
of Keeping of any of them in Slavery with their
posterity and not be set free in a Reasonable time
as they themselves with their Children would be
willing to be Dealt by According to Christs words
above mentioned for by Nature all Nations are
free One from the Other and the Apostle Saith
God is no respecter of persons, the Apostle Likewise
Saith that God hath made of one Blood all Nations
of men to Dwell on all the face of the Earth Acts 17 & 26

To

I Richard Smith of Groton in the County of New London and Colony of Connecticut upon Consideration and Knowing it Required of me I have written this in Order to Shew the Reason and make it Manifest to mankind why that I Discharge & Sett free my Negro Girl named Jane at Eighteen years of Age Daughter of Sarah which is now in Slavery with her Other Children among the Heirs of Stephen Gardner of Norwich Deceased this Girl Jane was Given to my Wife Abigail by her Father Stephen Gardner by will in Order to be a Slave all her Days according to the Common Customs of Slavery, But the falling into my hand by my Wife and the Lord by his free Goodness having given me a clear Sight of the Cruelty of making a Slave of One that was by Nature as free as my own Children and no ways by any Evil She had Committed brought her self into Bondage and Slavery and therefore can no ways be Guilty of Slavery, and to argue because her Mother was made a Slave being by force and Violence brought Out of her own Land against her mind and will and Deprived of what She had there & made a Slave of her Should be a Sufficient Reason that her Posterity Should be Oprest in bondage with Slavery, I See no Justice for it nor Mercy in so Doing but Violent Oppressing the Innocent without Cause For this thing of Servants it hath pleased God to Sett before me in a Clear manner the Case of Servants and Especially the Unreasonableness of those Masters and Mistresses who Profess to be the Followers of Christ how they will buy & Sell and be Partakers in making Merchandize in Great Babylon of the Slaves that is the Bodys of men and Women and of these Strangers as Indians & Negroes that are taken Out of their own Country
